

Won equipment at auction?

Get a nationwide freight quote before the pickup deadline.
Rough dimensions or weight are fine to start.

SCAN TO START A QUOTE

Send these shipment details

1

Auction name and lot number or lot link

2

Pickup ZIP and available pickup window

3

Delivery ZIP and delivery deadline

4

Piece count, dimensions, and weight

5

Loading, forklift, crane, or rigging details

6

Paid release status and hard removal deadline

For auction houses

Share this card in winning-bidder emails, invoices, or pickup instructions. Buyers can scan the code and send their lot and removal details directly.
