Send these shipment details

1

Seller name and equipment or order reference

2

Pickup ZIP and ready date

3

Delivery ZIP and delivery deadline

4

Piece count, packed dimensions, and total weight

5

Dock, liftgate, forklift, loading, or appointment needs

6

Equipment photos or specs and pickup site contact

For equipment sellers

Share this card in quotes, order confirmations, invoices, rental documents, or customer-support emails. The customer scans the code and submits shipment details directly.

Independent quote-intake and referral

Quote That Freight is an independent quote-intake and referral site, not a carrier or freight broker. Transportation is fulfilled by external providers under their terms. Ordinary domestic freight only; no dangerous goods, permit-controlled freight, or customs brokerage.
