

Buying liquidation pallets or a truckload?

Use this checklist to request buyer-arranged freight pricing for ordinary domestic overstock, returns, shelf pulls, case goods, mixed inventory, and other packed nonhazardous purchases.

SCAN TO START A QUOTE

Get these details before pickup

1

Seller or warehouse and order, invoice, lot, or release reference

2

Pickup ZIP, delivery ZIP, and both location contacts

3

Ready date and the seller's firm pickup deadline

4

Pallet, carton, crate, or piece count

5

Final packed dimensions and total weight

6

Contents, packaging condition, and stackability

7

Origin dock, forklift, loading, release, and appointment rules

8

Destination dock, liftgate, residential, or appointment needs

For liquidation sellers and warehouse teams

Share this card with one out-of-market buyer as an optional quote path. The buyer submits the shipment details directly; the seller keeps every current pickup rule and provider relationship.

Quote That Freight is an independent quote-intake and referral site operated by Pipsqueak Productions, not a carrier or freight broker and not affiliated with any retailer, liquidation marketplace, warehouse, or seller. External providers fulfill transportation under their terms. Ordinary domestic freight only; no dangerous goods, temperature control, international or customs work, rigging, loading, repacking, storage, permits, or other specialist services without separate documented capability.
