Send these shipment details

1

Team, school, facility, seller, or project name

2

Pickup ZIP, ready date, and loading contact

3

Delivery ZIP, deadline, and install schedule

4

Piece count, packed dimensions, and weight

5

Equipment type, packaging, photos, or model list

6

Dock, liftgate, forklift, appointment, or access needs

For manufacturers, dealers, and project teams

Share this card in proposals, order confirmations, project handoffs, service emails, or replacement-part notices. The customer scans the code and submits shipment details directly.
